5. Step Five: How to manage users

- 5.1. This system enables authorised users to manage their Test Centres logins. To gain initial authorisation to manage all logins for your Test Centre, e-mail cpcs.product@citb.co.uk from your Test Centres e-mail account held by CPCS, giving the Forename & Surname of the individual who requires authorisation to manage users. Please note that there is no limit to the number of Test centre users who can manage logins.
- 5.2. From the **Home** page click on the **Users** button and you will be taken to a list of your Test Centres users. The individual(s) who has been given authorisation to manage users will have a tick (✓) against them in the Manage Users column.

The screenshot shows the CPCS-ON system interface. At the top, there is a navigation bar with tabs for Home, Batches, Monitor Reports, Search, Cards, Library, and Users. The 'Users' tab is circled. Below the navigation bar, there is a welcome message: "Good morning Mel Edwards, welcome to CPCS-ON." followed by a description of the system's purpose and a list of functions: Notification of Technical Tests, Resulting of Technical Tests, and Requesting a CPCS Trained Operator Card. A user guide reference is also provided. At the bottom, there is a footer indicating the system's availability: "CPCS-ON is available between 05:00 and 23:00 every day."
